Concrete Products™

# YOU'RE GOING to LOVE it OUT HERE!

Since 1914, Rochester Concrete Products and its sister companies have been refining the art and science of interlocking concrete products. Rochester Concrete Products is recognized throughout North America for creating landscape products rich in texture, full of character and manufactured with the highest quality at an affordable price. For these reasons, Rochester Concrete Products is a professional's first choice.

There are many landscape materials in the marketplace to choose from, but only Rochester Concrete Products delivers the peace of mind you can trust.

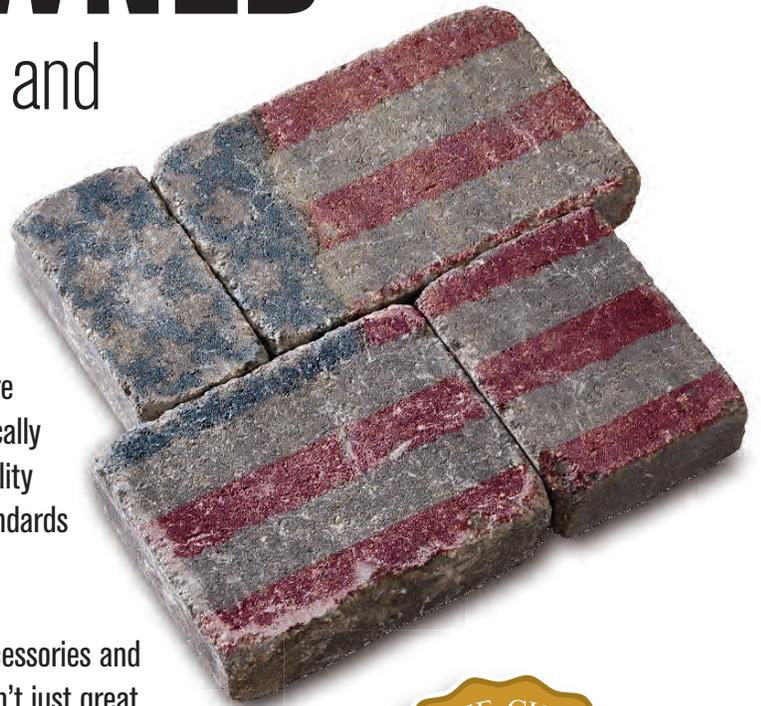

Our products are rare because they combine beauty, durability and affordability. Rochester Concrete Products manufactures and distributes world leading brands: Necessaries Outdoor Living Kits, Silver Creek Stoneworks, Rockwood Retaining Walls, Interlock Concrete Products, Rosetta Wall Systems, Keystone Retaining Wall Systems, Recon Retaining Walls, Versa-Lok Retaining Walls and Alliance Gator polymeric sands, sealers and cleaners, and many more landscape accessories and components.

Whether you're looking for an outdoor space complete with fireplace and dining table or a retaining wall to expand and support a backyard, this comprehensive catalog is a design gallery. There aren't enough pages to tell our entire story, so we invite you to visit [www.rochestercp.com](http://www.rochestercp.com) or scan the QR code to view more inspirational and award-winning landscapes.

# FAMILY-OWNED

BORN in the MIDWEST, and  
MADE in the USA.

We are a third-generation, family-owned business with mortarless concrete manufacturing experience that dates back to 1914. We consistently manufacture an extensive line of hardscapes with high-quality, locally sourced materials. Each product must pass rigid quality control standards – meeting or exceeding ASTM standards for strength, durability and freeze/thaw.

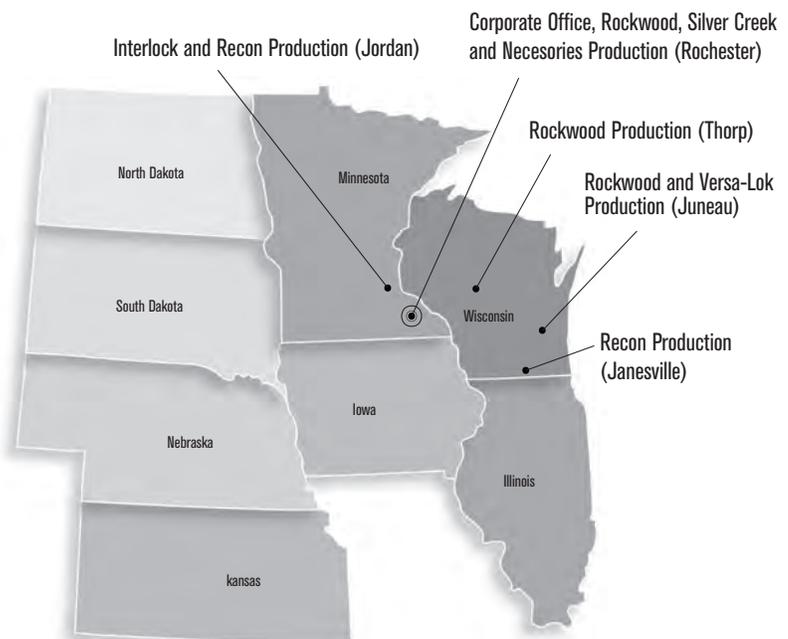

All of the pavers, landscape tiles, retaining walls, accessories and outdoor living products you see in this collection aren't just great looking, they're built to last – and we guarantee them!

We manufacture and service the Upper Midwest. Our network of authorized dealers and experienced territory sales representatives are ready to assist you with all things for the backyard.

Corporate Office:  
7200 Broadway Ave. N., Rochester, MN 55906

# We've been INNOVATORS in CONCRETE for the BACKYARD for nearly FORTY YEARS. It's where we WORK and PLAY.

We make and offer some of the most respected hardscape brands available in North America.

Silver Creek's Slate, Travertine and Barn Plank Landscape Tiles, Steps and Garden Walls come in a broad selection of shapes and colors. They have caught the attention of designers, landscapers and homeowners alike – not just for their amazing looks but also for the convenience, durability, consistency and affordability of a manufactured product.

- Strong, 10,000 PSI wet cast concrete
- Cast in multiple/unique molds
- Incredible surface and edge detail
- Blended colors look like natural stone and reclaimed wood

We manufacture or distribute the industry's leading retaining wall brands. Although many have similar looks and appeal, most are very different in their design and performance characteristics. A hardscape professional can help you choose what is best suited for a garden wall, seatwall, egress window or if a structure or parking lot is above the wall.

- Strong 4,500 PSI dry cast concrete
- Vertical, adjustable or fixed setbacks
- Matching/contrasting cap colors and styles
- Can be engineered to reach incredible heights and performance needs

Interlock pavers perform as good as they look in both residential and commercial applications. They are manufactured under strict QC standards to ensure they perform as intended and last for decades.

With dozens of shapes, surface detail and colors to choose from, designers and property owners have endless possibilities to create the patio, pathway, pool deck or driveway that fits every project's style and performance needs.

- Strong, 9,500 PSI dry cast concrete
- Withstands freeze/thaw conditions
- Can be repaired/replaced and reclaimed
- Endless design-ability and unrivaled esthetics
- Outperforms other paver materials
- KolorLast pavers resist the harmful effect of Mother Nature, use & abuse, color fading and staining

Necessaries is a collection of affordable, ready-to-assemble outdoor fireplaces, island bars & grills, kitchens, tables, waterfalls, fire rings, seatwalls and pillars kits. They are easy to design with, easy to buy and easier to build. And, kits can be customized.

Other than some common tools, kits come with everything needed to build on a properly prepared base.

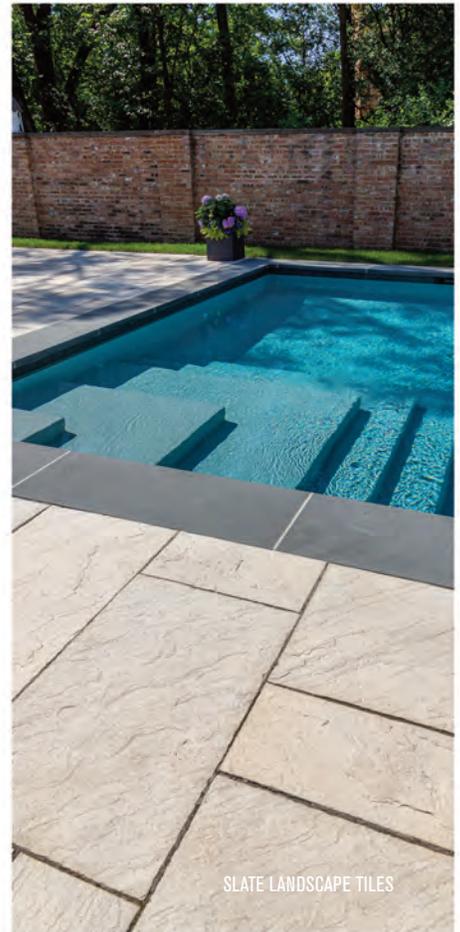

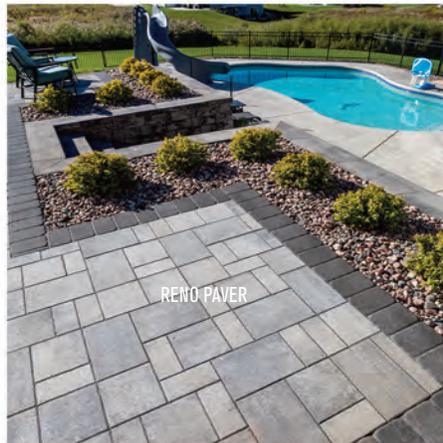

- All blocks, mantels and caps included
- Summerset stainless grills and components
- Fire brick, pumps, inserts and accessories
- Cut block sized to fit and steel reinforcements
- Construction gloves and adhesives
- Step-by-step instructions

**Rochester**  
Concrete Products™

You're GOING to  
**LOVE IT** out HERE!

Use this **SIMPLE GUIDE** to help you and your **LANDSCAPE PROFESSIONAL** create an **ATTRACTIVE** and **COMFORTABLE** landscape you'll enjoy **EVERY DAY.**

The endless combinations of products available can make choosing your landscape and hardscaping materials very challenging. To simplify the task, follow these four design considerations when choosing materials for your backyard design.

### 1. Style

Style includes the shape, size and surface detail of a paver, slab, tile or wall. Choose a style that best suits the application, complements your surrounding architecture and expresses your personal flair.

### 2. Color

Whether you prefer a solid color, a blend or a combination of styles, shapes and colors, find one that complements or contrasts your roofing, siding or stonework. Also consider what furniture and decor, plantings and sealers will do to create the colors you'll always appreciate.

### 3. Pattern

Start by finding examples of landscapes and patterns you like, and share them with your landscape professional. An experienced pro can help you with your design process, budget, product selection, construction and maintenance.

### 4. Detail

Nothing completes a hardscape area like adding beautiful accents of inlays, caps/tops and borders. Use combinations of contrasting styles, color or patterns to create lasting flair for your outdoor living space.

Before planning your landscape project, check with your local zoning commission for building restrictions and required construction permits. Always call 811 before you dig.

Know what's below.  
Call before you dig.

# FOLLOW these **SIMPLE** **PLANNING** STEPS:

## 1) DO YOUR HOMEWORK

Visit our website, Facebook or Instagram pages to see backyard patio plans, photos, ideas and MORE! The more ideas you have of hardscape materials, plants, accents and furniture, the better.

## 2) MAKE a WISH LIST

Make a list of things you like and dislike. If mowing the lawn or weeding a flower garden isn't for you, make note of it. Do you prefer rocks vs. mulch? Do you love flowers, but dread replanting every year? Highlight your interests below and share them with your landscape pro.

	Like	Dislike	Maybe
Modern	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Natural	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Relaxation / Quiet	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Maintenance-free	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Entertaining / Active	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Matches Homes Architecture	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Open and Spacious	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Fire Pit	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Fireplace	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Flower Garden	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Water Feature / Pond	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Paver Patio	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Walkways	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Sound System	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

## 3) MAKE a BUDGET

When budgeting, plan to invest about 7% to 10% of your home's value. A more elaborate backyard sanctuary may require 15% to 20%. Much of what you will spend depends on how long you plan to stay in your home. If you plan to stay for more than 10 years, 15% to 20% will give you the enjoyment you desire for years to come.

Home Value \$ \_\_\_\_\_ x \_\_\_\_\_ %

= \$

(Your landscaping budget)

## 4) SKETCH your DESIGN

Take out a pencil and paper and start at the beginning. Sketching will help you discover your likes and dislikes and make your landscaping process much easier.

## 5) HIRE a PROFESSIONAL

If you're not quite the weekend warrior to tackle your own landscape construction, start talking to the professionals. Landscape pros are invaluable assets for their design expertise, product knowledge and construction methods.

When it's time to choose products, ask your landscaping professional for input. There are countless pavers, slabs and landscape tiles to choose from, the same goes for retaining wall blocks. Knowing what products are best suited for a particular landscape application is crucial. For example, pavers designed for heavy vehicle traffic are not good choices for small patios or walkways. And with retaining walls, a heavy-duty wall system probably isn't the right product for use as a small garden wall.

There's no better way to select material than to see and touch the real thing. Visit a Rochester Concrete Products distributor/dealer to touch and see actual samples in the colors you like. If you can't visit a dealer showroom where outdoor living products are displayed, ask your landscape contractor to gather samples for your consideration. Always refer to actual product samples when making color selection.

## The REAL BENEFITS of LANDSCAPING

Curb appeal – it's the best way to make a good first impression. Most homeowners agree, spending over \$45 billion on professional lawn and landscape services annually. Gardening has become America's #1 pastime, with over 80% of all households participating.

## WHAT does this MEAN to YOU?

A well-designed landscape does more than bring increased value to your home, it brings energy savings as well. More importantly, quality landscaping brings you years of enjoyment. So follow the number one trend in the country and bring the indoors out by adding a raised patio, fire pit or an outdoor kitchen. Regardless of what you do, the enjoyment of the outdoors will reduce your stress and add real value to your home.

# PAVER selector

Not all pavers and slabs perform the same way and knowing the differences is critical when deciding which to use.

Pavers need to compliment a property's architecture and style, maintain their beauty, perform as intended and last indefinitely.

**KolorLast**  
Hardscape Protectant

Prolonged exposure to freeze/thaw, salt, harsh chemicals and acid rain can destroy the surface of non-protected pavers.

If it's NOT  
**KOLORLAST**, it's  
JUST CONCRETE.

Years later, KolorLast pavers remain extremely fade resistant.

KolorLast is only available on Interlock pavers.

# KolorLast is SERIOUS protection

KolorLast treated pavers are highly resistant to fading and to the harmful effects of salt, chemical and acid rain exposure. KolorLast pavers make it much easier to remove liquid/food spills and rust marks – minimizing or preventing stains altogether.

## What is KolorLast?

The KolorLast manufacturing process is a simple chemical reaction between two compounds. First, a special mixture of cement, aggregates, water and a proprietary KolorLast additive are mixed into dry-mix concrete that is pressed into molds with extreme pressure and heat. As pavers are demolded, a proprietary aqueous-based solution is sprayed on the surface causing a chemical/molecular reaction that creates the KolorLast protective layer. This new protective compound penetrates into the surface of the paver three to five millimeters deep and can only be removed with heavy abrasion/wear.

*KolorLast pavers are resistant to fading, staining, acid rain, salt, and spalling and they inhibit efflorescence and poly-haze.*

YEARS LATER, it's EASY to TELL UNPROTECTED PAVERS from KOLORLAST PAVERS!

The look of weathered white pine, with soft edges, deep splits and detailed grain on all sides.

# BARN PLANK

landscape tiles

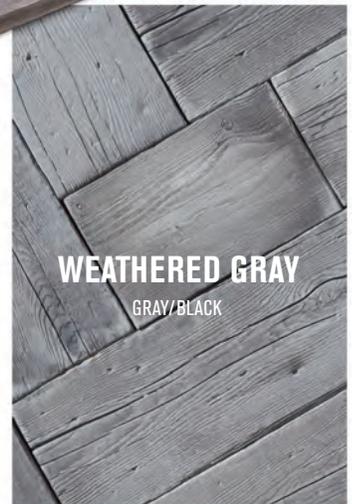

**Barn Plank Landscape Tiles** are cast in molds created from heavy, decades-worn wooden planks. Each size has multiple faces that are hand-painted in the mold. Unlike typical lumber, Barn Planks will never warp, splinter or rot.

- Deep splits, detailed grain top and sides
- For paths, patios, pools and overlays
- Matching Step and Garden Wall block

See pages 34/35 for patterns. Refer to actual product samples when making color selection.

*Silver Creek*  
STONEWORKS

**Separate Pallets:**

- 15.5" W x 9.75" D x 2" H
- 23.37" W x 9.75" D x 2" H
- 35" W x 9.75" D x 2" H

Cast in molds made from stone quarried in Tivoli, Italy, the renowned original can be seen on famous landmarks like the Roman Colosseum, St. Peter's Basilica, the Getty Center and Lincoln Center.

antique  
**TRAVERTINE**  
landscape tiles

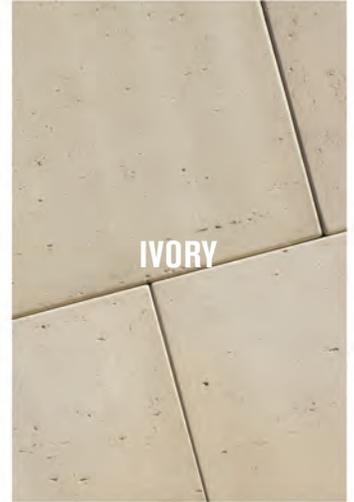

*Silver Creek*  
STONWORKS

The smooth edges, detailed grain and honed surface of our **Antique Travertine Landscape Tiles** is so authentic, only you'd know they are man-made. A truly timeless look for paths, patios and pool decks.

**Separate Pallets:**

- 12" W x 24" D x 2" H
- 18" W x 24" D x 2" H
- 24" W x 24" D x 2" H
- 12" W x 24" D x 2" H (bullnose)

See pages 34/35 for patterns. Refer to actual product samples when making color selection.

A photograph of a balcony with slate landscape tiles. In the foreground, a dark metal table with a curved base and a cushioned chair are visible. The balcony railing is made of metal and glass. In the background, there are trees and a clear sky. The text 'SLATE landscape tiles' is overlaid on the bottom left of the image.

# SLATE landscape tiles

**Slate Landscape Tiles** have the enviable look of hand-split stone. Their chiseled edges are ideal for treads, tops and caps. For use on paths, patios, sunrooms and pool decks.

- Lays quickly, patterned or random
- Unique 24" x 36" XL slab
- Gap tiles 0.25"

**Separate Pallets:**

- 12" W x 12" D x 1.5" H
- 12" W x 24" D x 1.5" H
- 24" W x 24" D x 1.5" H
- 24" W x 36" D x 1.5" H (XL)

See pages 34/35 for patterns. Refer to actual product samples when making color selection.

Slate's rich texture comes from stone quarried in the Northeastern U.S., where stone craftsmanship dates back to Colonial America.

STONWORKS

**BLUESTONE**  
CHARCOAL/CREAM

Barrington pavers are KolorLast protected to resist fading, staining and the harsh effects of time and Mother Nature.

# BARRINGTON

6cm paver

**Barrington** is a three-piece, smooth top, chamfered/irregular edge paver with a small auto-spacer. The solid color **6 x 12 Accent Paver** can be used alone to create interesting inlays, insets and borders. Use on patios, pathways and pool decks.

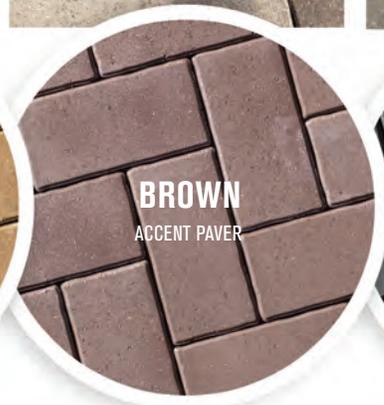

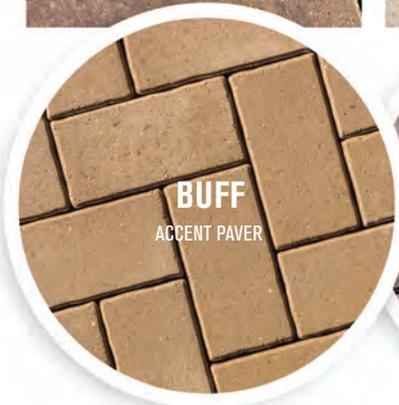

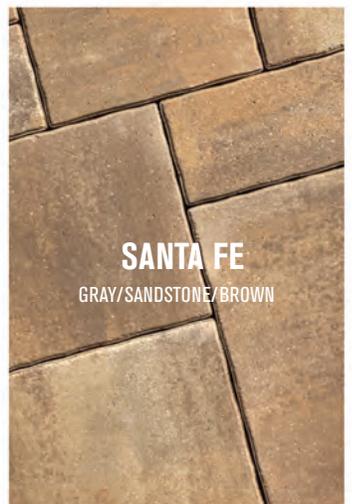

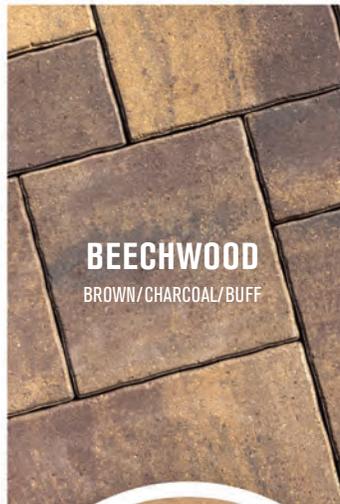

**One pallet system:**

- KolorLast protected
- 8" W x 16" D x 2.375" H
- 16" W x 16" D x 2.375" H
- 24" W x 16" D x 2.375" H

**6 x 12 Accent Paver:**

- Separate pallets
- Solid colors, KolorLast protected
- Smooth or textured top
- 6" W x 12" D x 2.375" H

See pages 34/35 for patterns. Refer to actual product samples when making color selection.

# MINNETONKA

6cm paver

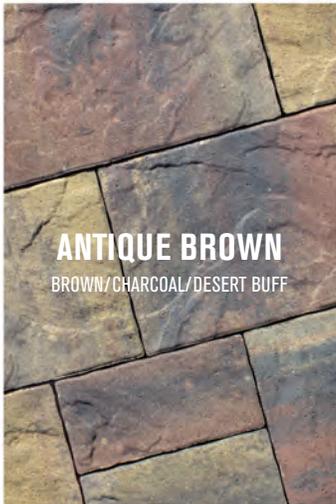

Minnetonka is just like Barrington with a textured surface. Both are efficient to install large format paver systems.

Just like the Barrington Paver, **Minnetonka** is a three-piece, textured top, chamfered/irregular edge paver with a small auto-spacer. The solid color **6 x 12 Accent Paver** can be used alone or to create interesting inlays, insets and borders. Use on patios, pathways and pool decks.

**One pallet system:**

- KolorLast protected
- 8" W x 16" D x 2.375" H
- 16" W x 16" D x 2.375" H
- 24" W x 16" D x 2.375" H

Lamont pavers are tumbled to create the look of reclaimed or centuries-old, handcrafted stones.

# LAMONT 6cm pavers

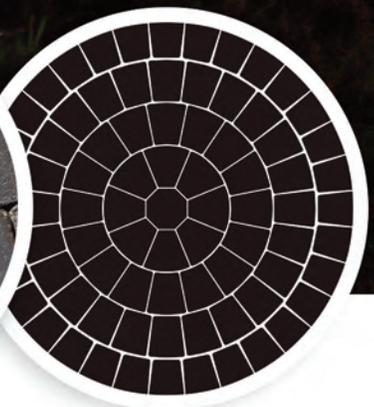

When your architecture calls for the look of a centuries-worn paver patio, pathway or drive, **Lamont** is the paver choice of property owners and designers because of its great looks and endless design opportunities. 4 x 8 and 6 x 8's are available in solid colors for accenting.

- Tumbled, aged appearance
- No spacers; strong joint
- For patios, paths and drives
- Matching circle kit

**Separate pallets:**

- 4" W x 8" D x 2.375" H\*
- 6" W x 8" D x 2.375" H\*
- 10" W x 8" D x 2.375" H
- 12" W x 8" D x 2.375" H

Colonial's appeal comes from the look of centuries-worn smooth cobblestones.

# COLONIAL

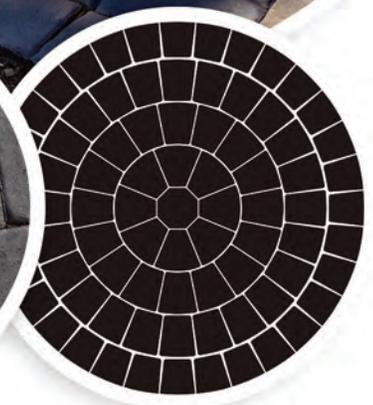

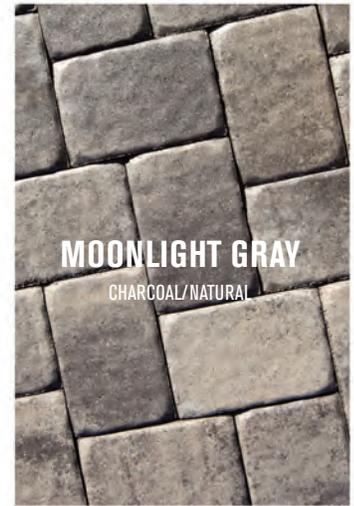

6cm pavers

**Colonial Pavers** have a smooth/dimpled top, irregular edge and a small auto-spacer. All sizes are available in two blended colors. 3/4 Square and Rectangle are available in solid colors for accenting. Circle Kits available.

**Separate pallets:**

- 6.3" W x 3.15" D x 2.375" H (Half Square)
- 6.3" W x 4.65" D x 2.375" H (3/4 Square)\*

- Firegear's stainless steel, NG drop-in pan and connections (100,000 max Btu)
- Piloted thermocouple safety valve, manual spark ignitor, lava rock and vent kit

### Affordable Luxury

Necessaries kits are both beautiful and functional, turning backyards into attractive and enjoyable outdoor living spaces. Also, Necessaries come ready-to-assemble with everything needed to build, making them easier to install and more affordable than typical masonry structures.

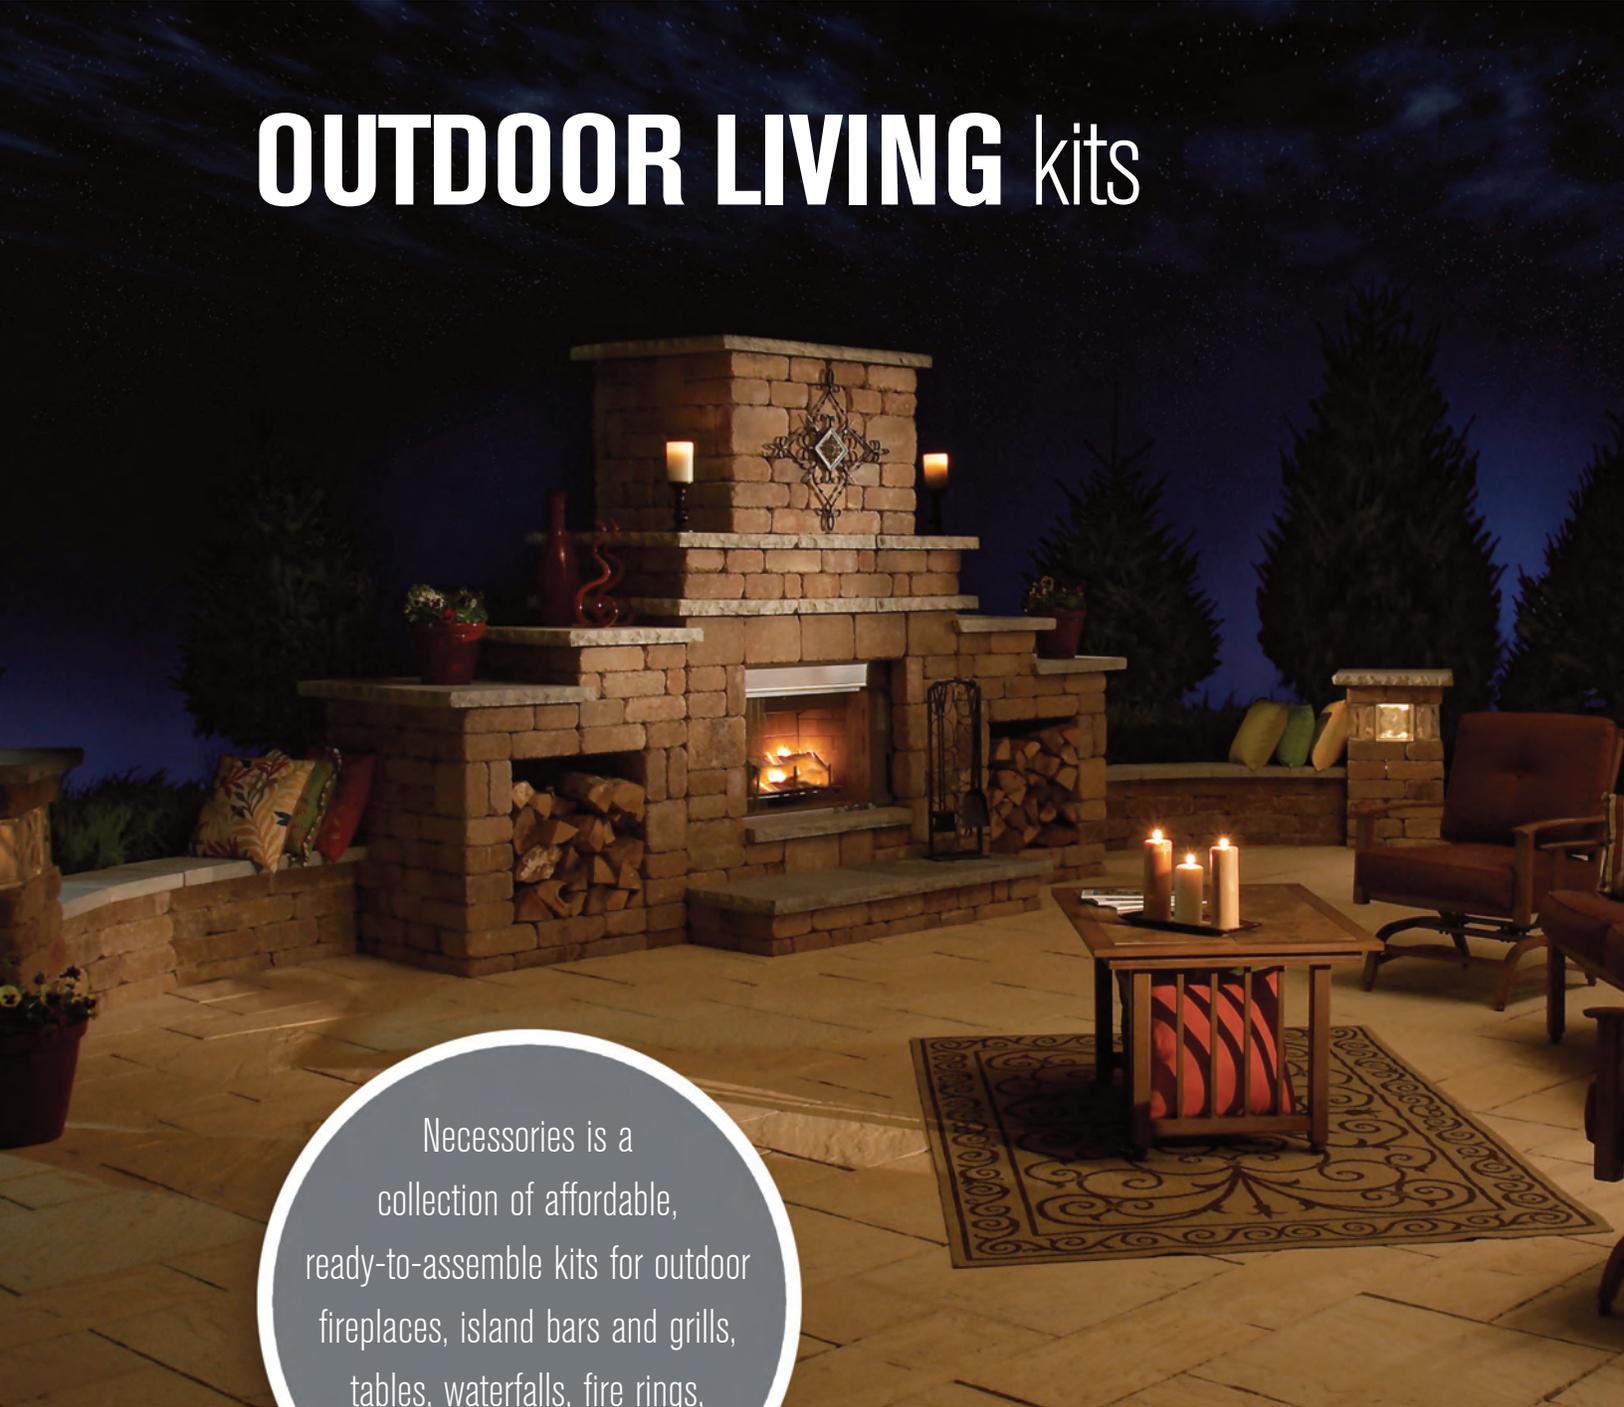

### Easy to Build

Each Necessaries Outdoor Living Kit comes complete with everything you need, including pre-cut block sized to fit, reinforcements, adhesive, and easy-to-read, step-by-step instructions. Most kits can be built by two people during an afternoon, or less.

### Expand Anytime

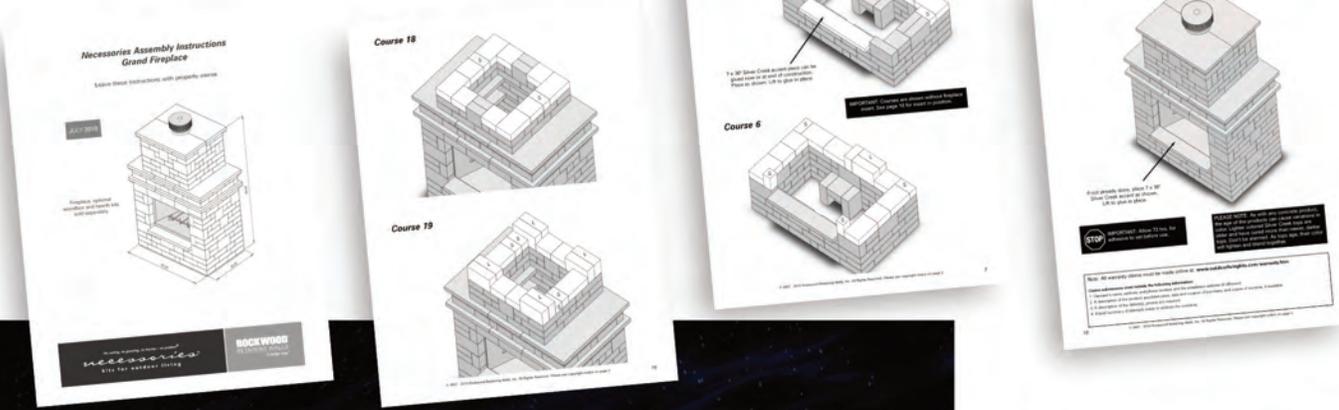

You can build your project all at once or add new features over time. Because of Necessaries' modularity, expanding your outdoor living space is easy to do whenever you are ready. Kits are not suitable for commercial installations or applications.

# OUTDOOR LIVING kits

Necessaries is a collection of affordable, ready-to-assemble kits for outdoor fireplaces, island bars and grills, tables, waterfalls, fire rings, seatwalls and pillars.

Easy-to-read, step-by-step instructions

Necessaries feature Rockwood Retaining Walls' multi-piece, tumbled Lakeland and Riverland wall systems. Mantels and tops are wet cast concrete from limestone originals with smooth, honed surfaces and chiseled edges.

**Necessaries Standard Features:**

- Easy-to-read, step-by-step instructions
- Rockwood's Lakeland & Riverland blocks
- Reinforcements and concrete cut to fit
- VOC-compliant adhesive and gloves

No cutting, no guessing, no hassles - no problem®

STONEWORKS

**COMPACT FIREPLACE** kits

**COLONIAL FIREPLACE** kits

## **VICTORIAN FIREPLACE** kits

The **Compact** and **Colonial** Fireplace Kits are ideal for smaller backyards and patios. Each kit comes complete with 2.25" thick firebrick, ensuring durability and enhancing the overall appearance. Taller and wider, the **Victorian** Fireplace Kit becomes the focal point in any backyard. Popular for their affordability and smaller footprints, these fireplaces will generate warm accolades from family and guests for years to come.

- 2.25" firebrick for lasting protection

Optional Hearth Kit and Woodbox Kit (left or right side)

Complete your backyard living room with seatwall and pillar kits.

### Grand Fire Ring Kit

- 48" D x 12" H (31" interior dia.)
- One-piece, heavy gauge, solid steel insert protects block

#### Optional:

- **Fire Ring Block Layer:** add layers to increase height
- **Fire Ring Cap:** chiseled edge, eight-piece, in three colors, 2.25" H
- **Swivel Cooking Grate:** removable, heavy steel construction, ADA compliant
- **E-Z Access Spark Screen:** keep ash and sparks inside and debris out, hinged for easy access
- **Cover:** heavy galvanized steel with or without cooking grate slot

### Victorian Fire Pit Kit

- Four-piece, heavy gauge steel insert protects block
- Optional Swivel Cooking Grate

Designed for slab, paver or gravel bases, the **Grand Gas Fire Ring Kit** has both style and convenience. Smokeless and ashless, it's an ideal alternative for properties with open burning restrictions.

### Grand Gas Fire Ring Kit

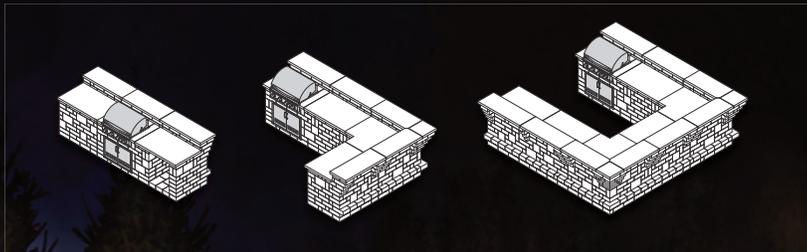

- Push-button electronic ignition, 65,000 max BTU/hr
- NG or LP fuel type, thermo-couple auto shut-off feature
- #304 stainless steel construction
- 30 lbs. lava rock

#### Optional:

- **Fire Ring Cap** (chiseled edge, eight-piece, in three colors, 2.25" H)
- **Grand Canyon Ceramic Log Set**
- **Fire Ring Block Layer** adds layers to increase height

# GRAND ISLAND BAR SERIES kits

These modular kits make it easy to design and build large kitchen and entertainment areas.

# KITCHEN CABINET kits

Kitchen cabinets are for backyard baking, grilling, dining and entertaining. Elegant, functional and affordable, these kits are ready to assemble in any configuration you can imagine.

### Kitchen cabinet kits with solid granite tops

Nearly as durable as diamond, granite owes its density and hardness to its origins – solidified under extreme pressure deep within the earth. Granite is as durable as it is beautiful; it's not affected by extremes in temperature and under normal conditions, resists etching by knives, household acids and kitchenware. Choose from two granite top colors. Kitchen Cabinet kits can be ordered with or without tops.

### Besides its beauty, granite is:

- Sanitary; when sealed, granite does not harbor bacteria
- Highly resistant to burning or charring from hot pans, appliances, utensils etc.
- 100% natural and non-toxic and is easy to clean

### Earthy cabinet colors

Necessaries kits feature Rockwood Retaining Walls' multi-piece, tumbled Lakeland wall block. Its linear design and aged appearance fit well in landscapes of any style or decor. Choose from four cabinet colors.

Black Pearl (polished granite)

Viscon White (polished granite)

**ROCKWOOD**  
RETAINING WALLS  
*A Better Way*

OUR PRODUCTS are DESIGNED to WITHSTAND the EVERYDAY USE and ABUSE that YOU, TIME and MOTHER NATURE CAN THROW at THEM. OUR LIMITED LIFETIME WARRANTY ASSURES HOMEOWNERS that WHAT'S MEANT to LAST, WILL LAST. and if it DOESN'T, WE'LL STAND BEHIND IT.

## LIMITED LIFETIME WARRANTY

**IMPORTANT NOTICE:** Read this entire RCP Limited Lifetime Warranty and Limitation of Liability ("Limited Warranty"). It is important that the warranted products be properly installed and maintained in order for them to function successfully throughout the duration of this Limited Warranty. Depending on the product's application, installation guides can be found at [www.rochesterpcp.com](http://www.rochesterpcp.com). It is also important for your installer to carefully review the technical information, including specifications, for the chosen use of your RCP products as it may be the responsibility of the installer or design engineer to provide independent soil testing, quality assurance inspection, testing, and design services necessary to ensure a safe and functional application.

This Limited Warranty applies only to RCP products that are purchased and used as part of Rockwood Retaining Wall Systems installed in owner-occupied single-family homes within the United States, subject to the stated conditions and limitations. This Limited Warranty does not extend to any current or future products distributed, but not manufactured, by RCP. This Limited Warranty applies only to RCP's products and not to the system into which they may be placed. Nor does this Limited Warranty cover RCP products used in governmental, commercial, or multi-residential applications.

### LIMITED LIFETIME WARRANTY FOR RCP PRODUCTS INSTALLED IN OWNER-OCCUPIED SINGLE-FAMILY HOMES AS A PART OF A ROCKWOOD WALL OR HARDSCAPE SYSTEM.

RCP warrants that its products will be free from defects for as long as you own your home. If RCP is given prompt notice of a defect, it shall, at its sole option: (1) repair or replace the defective product(s), or (2) refund the original purchase price of the defective product(s). This Limited Lifetime Warranty is provided only to the owner(s) of the home at the time of purchase and may not be assigned or transferred. In the event the owner(s) sells the home, this warranty automatically converts to a two-year limited warranty affording the same scope of protection and governed by the same conditions, disclaimers and limitations of this Limited Lifetime Warranty. If RCP elects to repair the defect, it shall be responsible for the labor to accomplish the repair. If RCP elects to replace the defective product(s), its obligation is to deliver suitable replacement product to owner's property.

### LIMITATION OF LIABILITY

This Limited Warranty sets forth the maximum liability for our products. IN NO EVENT (INCLUDING WHERE THIS LIMITED WARRANTY IS DEEMED NOT TO APPLY TO THE SALE OR PRODUCT IN QUESTION) SHALL RCP, GLS INDUSTRIES, INC., OR ROCKWOOD RETAINING WALLS, INC. BE LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL OR SPECIAL DAMAGES RESULTING FROM THE SALE, INSTALLATION OR USE OF ANY RCP PRODUCTS. Some states do not allow the exclusion or limitation of incidental or consequential damages for consumers, so the above limitation or exclusion may not apply to you.

### LIMITATION OF WARRANTY

RCP MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTIES FOR MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR OTHERWISE.

### DISCLAIMER - WHAT THIS LIMITED WARRANTY DOES NOT COVER

RCP is not responsible for or makes no warranty as to:

1. Product failure, loss or damage due to:
  - Normal wear and tear;
  - Damage due to improper handling and repeated or extended contact with chemicals, such as de-icers;
  - Products improperly installed or maintained;
  - Acts of God;
  - Structural settlement, movement or vibration;
  - Products that have not been paid for in full.
2. Minor imperfections
  - Minor imperfections that do not affect the product's structural integrity;
  - Variations in product texture or color;
  - Efflorescence;
  - Minor imperfections in shape, appearance, or dimensions covered by ASTM C1372.

### CONDITIONS OF WARRANTY - WHAT YOU MUST DO TO RECOVER UNDER THIS LIMITED WARRANTY

#### PROMPT NOTICE OF DEFECT:

Within the warranty period, you must promptly, and in no case more than one (1) year after any defect or other basis of a claim covered by this Limited Warranty is discovered or should have been discovered, notify RCP of the defect. Any claims otherwise covered by this Limited Warranty, but for which RCP did not receive notice of the defect within one (1) year from the time the problem first became known, shall be barred.

### LIMITED WARRANTY CLAIM PROCEDURE

Claims under this Limited Warranty may be made in writing to RCP at 7200 Broadway Ave. N, Rochester, MN 55906.

Claims should include the following information:

1. Claimant's name, address and phone number, and the installation address (if different);
2. A description of the product, purchase price, date and location of purchase, and copies of invoices, if available;
3. A description of the defect(s) (photos are required); and
4. A brief summary of attempts made to address the concerns.

### NO STATEMENT OF USEFUL LIFE

This Limited Warranty is not a statement of the useful life of any RCP products.
